## EZBiz Hosting Application Form - Configuration Page

Domain Details			
<b>Domain Options</b>	<input type="checkbox"/>	Register a new Domain Name for 2 years – <i>specify requested domain below</i>	\$ 69.00
	<input type="checkbox"/>	Use your existing Domain Name – <i>specify domain, registrar and login info below</i>	no charge
<b>Domain Name</b>			
<b>Registrar (existing domain only)</b>	<i>(Unsure? Check at <a href="http://whois.ausregistry.com.au">http://whois.ausregistry.com.au</a>)</i>		
<b>Registrar Login/Pass (existing domain only)</b>	<i>(If you're unsure, contact your registrar)</i>		
<b>Re-Delegation Instructions (existing domain only)</b>	<input type="checkbox"/>	Please activate hosting services and provide the details to me. I will set up my email accounts and publish my website to the Adam Internet server. I will then contact Adam Internet when I am ready for the domain to be moved. This option will avoid any downtime.	
<i>If none specified, default is to move domain immediately!</i>	<input type="checkbox"/>	Please activate hosting services and move my domain to Adam Internet immediately. I understand that my email and website will be down until I set up my email accounts and publish my website to the Adam Internet server. This option may provide the fastest turnaround time.	
<i>If your existing domain is with a registrar other than Melbourne IT, you may consider transferring it to Melbourne IT under Adam Internet's reseller control. This will enable us to handle all domain renewals on your behalf, reducing the hassle involved with having to deal with third parties. There is a cost of \$35 to transfer your domain to Melbourne IT. If the domain renewal is due at the time of transfer, the domain will be renewed (\$69/2yrs). TLDs are always renewed upon transfer.</i>			<b>Would you like us to arrange registrar transfer?</b>  <b>YES / NO</b>
Email Details
